

The University of Hong Kong  
 Department of Data and Systems Engineering  
 2025-2026 (4-YR) First Semester

Teaching Period: September 1, 2025 - November 29, 2025 (Reading Week: October 13 - October 18, 2025)

Starting from the academic year 2025-26, the course prefix IMSE offered by the Department of Data and Systems Engineering will gradually fade out and be replaced by the new course prefix DASE. This change will be applicable to all courses in different levels. The courses will be only offered with prefix DASE in the academic year of 2025-26. Basically, the course contents with the same course code with different prefix IMSE/DASE are identical. Students who admitted in 2024-25 and before, enrol in the courses DASExxxx are equivalent to the same course code of IMSExxxx (For example: IMSE2113 / DASE2113 Information systems). Please check mapping table for more details.
